

Information on Admission

MA Interactive Media (University of applied sciences Upper Austria, FH OÖ) study programme code 1234

Introduction

According to § 4 para. 4 FHStG, the educational requirement for admission to a university of applied sciences master degree programme shall be the completion of a subject-relevant university of applied sciences bachelor degree programme or the completion of an equivalent degree programme at a recognised domestic or foreign post-secondary educational institution. In the case that equivalence has basically been established and only certain supplementary qualifications are required for full equivalence, the programme director shall be entitled to tie the determination of equivalence to examinations to be taken during the master degree programme.

Definition of „relevant“

In any case, the university of applied sciences bachelor degree programme Medietentechnik und Design completed at the university of applied sciences Upper Austria shall be regarded as a relevant bachelor degree programme. The admission to this master degree programme shall also be made possible following the successful completion of any other relevant bachelor or university of applied sciences bachelor degree programme. Relevant bachelor or university of applied sciences bachelor degree programmes are characterised by a minimum workload of 60 ECTS Credits in the following fields:, in each of which the contents relevant for the master degree programme must be covered

Field	ECTS Credits
IT-Topics	60

Common transfers

Students often transfer to a master degree programme after having completed one of the following bachelor or university of applied sciences bachelor degree programmes:

Bachelor degree programmes/University of applied sciences bachelor degree programmes	Higher education institution	Admission
